

Activity 6

Mystery fruits and vegetables

Things you will need:

- ✓ The sheets showing fruits and vegetables to colour and to cut out (Activity 6A)
- ✓ The sheets to create fruit and vegetable place mats (Activity 6B)
- ✓ Felt pens
- ✓ A pair of scissors
- ✓ One envelope

Preparation:

- ✓ Ask your child to colour the dotted fruits and vegetables (Activity 6A).
- ✓ Then, invite your child to cut them out with some help, if needed.
- ✓ Place the cut-outs in an envelope.

How to play:

1. Invite your child to pick a fruit or a vegetable in the envelope.
2. Ask him or her to name it and to describe it. Then, invite your child to place the cut-out where it belongs on the fruit and vegetable place mat.

Variations:

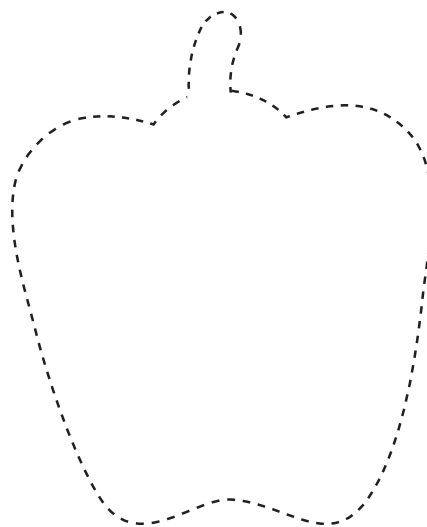

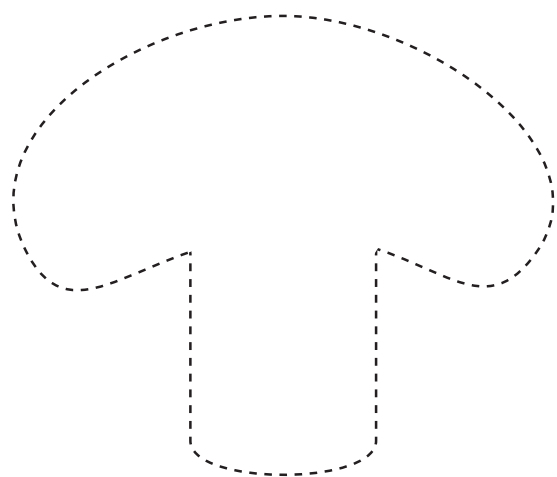

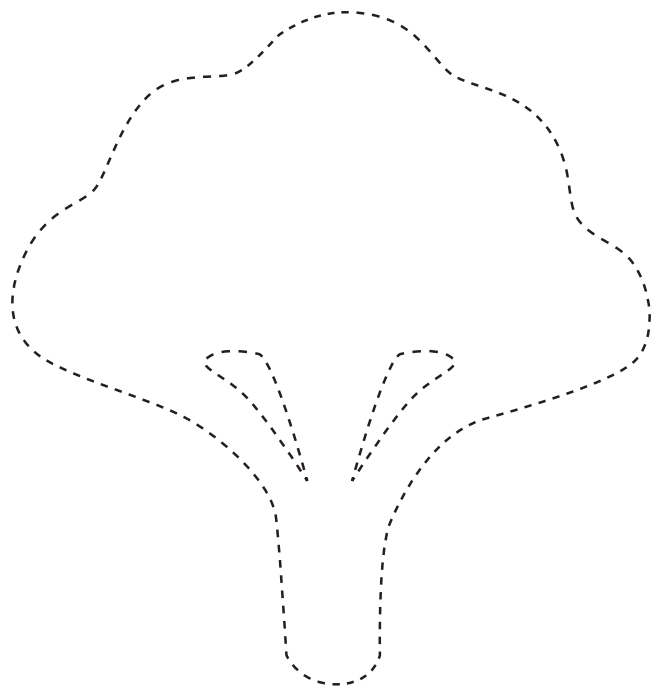

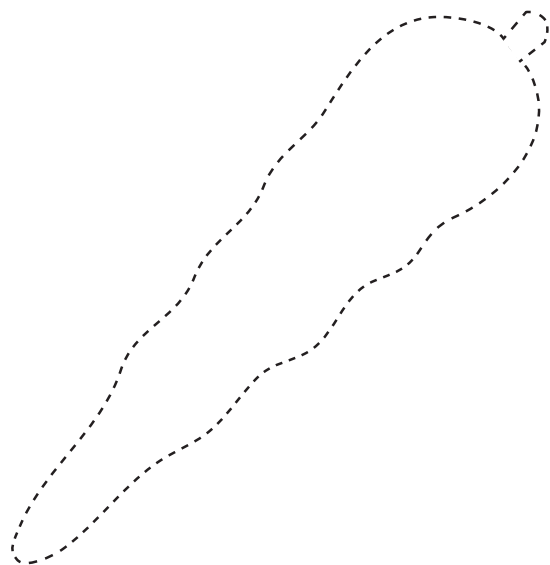

Two players can play this game. Give a place mat to each player. The first one who succeeds in placing all the cut-outs on his or her place mat wins the game.

Add more place mats and new fruits and vegetables.
